Poufs

Make your shower gels and soaps foam better, last longer and keep skin healthier with daily washing and gentle exfoliating using a pouf sponge. Just rub on your favorite soap, foaming bath butter or apply bath or shower gel for a luxurious, longer lasting lather. Poufs are approximately 4" and 5" in diameter with a loop for hanging.

These new bath poufs are thicker than most poufs found in retail stores. The 40 gram pouf is about 4" in diameter and is 33% larger than the poufs that we have sold in the past. The 70 gram pouf is large and luscious. It measures about 5" in diameter and is more than double the size of our previous poufs.

Shrink Wrap Systems

8" Package Master System

With the 8" system, shrink wrapping an average size bar of soap takes approximately 20 seconds to shrink wrap. Simply place the soap in the bag underneath the arm of the impulse heater, which seals and cuts the bag down to the size of the soap. The heat gun is then used to shrink the plastic bag for a tight fit around the soap. Works well with both rectangular and odd-shaped bars.

This package includes:

- Impulse Heat Sealer w/8" Arm
- Deluxe Dual Temp. Heat Gun
- 500 6" x 6" PVC (Scent Restricting) Bags

Item #	Price
44000	\$129.95

8" Package Master Refills

500 Replacement PVC 6" x 6" Shrink Wrap Bags

Item #	Price
44002	\$19.95

500 Replacement 8" Impulse Sealer Tape

Item #	Price
44007	\$2.99

500 Replacement 8" Impulse Sealer Wire

Item #	Price
44005	\$3.99

8" Jewel Master System

This shrink wrap system can be used to shrink wrap multiple bars of CP soap in a single movement by using the shrink wrap wand. Simply lay your products in a grid, then use the wand between each row and column of soap bars to seal multiple bars at once. Use the heat gun to shrink the Polyolefin Film around each bar. If you are selling large quantities of soap, this is the shrink wrap system for you. Polyolefin film will allow you to smell the scent through the shrink wrap.

This package includes:

- 8" free-arm sealing wand
- Film Carrier
- Teflon Mat with Cushioning Pad
- Deluxe Dual Temperature Heat Gun
- 500 ft. Roll of 8" Polyolefin Shrink Wrap

Item #	Price
44009	\$239.95

8" Jewel Master Refills

500 Replacement 8" Jewel Master Wire

Item #	Price
44002	\$19.95

18" Package Master System

The 18" Package Master comes in two variations of shrink wrap: PVC film and Polyolefin film. PVC film restricts soap fragrances from flowing through the wrapping. This is particularly useful with melt and pour soaps by sealing the product allowing no moisture into the package. Polyolefin film allows fragrances to seep through the shrink wrap. This works best with cold process soap where moisture has no affect on the product.

This package includes:

- 18" free-arm sealing wand
- Film Carrier
- Teflon Mat with Cushioning Pad
- Deluxe Dual Temperature Heat Gun
- 500 ft. Roll of PVC or Polyolefin Shrink Wrap Film

Item #	Price
44001 (PVC)	\$349.95
44010 (Polyolefin)	\$349.95
